Preface

"And whosoever of you will be the chiefest, shall be the servant of all."

(Mark 10:44) Bible

The beauty of a religion is glorified when its firm conviction of brotherhood of man and Fatherhood of God is deep-rooted universally in the form of practical service to mankind. Christian missionaries are known for this kind of selfless service all over the globe irrespective of race, caste and creed.

What is a Mission?

The word "mission" originates from 1598AD when the Jesuits sent members abroad, derived from the Latin *missionem* (nom. *missio*), meaning "act of sending" or *mittere*, meaning "to send".^[3] The word was used in light of its biblical usage; In the Latin translation of the Bible, Christ uses the word when sending the disciples to preach in his name: "He said therefore to them again: Peace be to you. As the Father hath sent me, I also send you." (John 20:21) and "And he said to them: The harvest indeed is great, but the labourers are few. Pray ye therefore the Lord of the harvest, that he send labourers into his harvest. Go: Behold I send you as lambs among wolves." (Luke 10:2-3).

Jesus granting permission to St. Thomas to behold him. To believe.

John 20:25

St. Thomas crying My Lord and My God in repentance

John 20:29

St Thomas, one of the disciples of Jesus Christ, brought Christianity to India in the First Century AD.

Mother Theresa

Dr. Graham Stains

Dr. M. Indira Santhi obtained her post graduate degree in History from the Sri Venkateswara University, Tirupathi, India, and received her doctoral degree from Rayalaseema University, Kurnool, A.P. India. She is Lecturer in the Department of History at KVR. Govt. Degree college for Women, where she has also served as the Head of the Department of History. She is a

Christian Human Right Activist, and also served as the in charge Principal of Pattikonda Govt. Degree College of Andhra Pradesh. She has received best teacher award in the academic year (2014) along with this she also received award like Best Team Leader (1998) in Janmaboomi programme. She has published several articles in both national and International journals, and Her research focuses on various issues related to the Christian Missionary Services and Women Empowerment.

PREFACE

Preface To The First Edition

The text book titled Waves and Oscillations is written & based on CBCS syllabus prescribed by U.G.C. for II semester B.Sc students. This book is suitable for maths and non-maths combinations students. This book is also suitable for autonomous and non-autonomous colleges students. This book serves as text book, reference book, university solved papers and detailed study material. The authors emphasized the chapters from fundamentals point of view. The authors wrote theory with detailed derivations. A number of numerical examples and problems were given at the end of each chapter. Question Bank is given at the end of each chapter. Short answer questions and long answer questions were emphasized at the end of each chapter.

Multiple choice questions, One word answer questions, Fill up the blanks and match the following were given at the end of each chapter. The answers were also given for relevant items. These type of question banks are useful to the autonomous and non-autonomous college students.

The authors are thankful to the whole team of M/S Kedar Nath Ram Nath, Meerut. The authors are also thankful to Sri Adil Basha Store Keeper and IQAC clerk for their cooperation.

This book is thoroughly written and edited. If any errors are present due to oversight, they may be rectified in the future edition.

We will appreciate all the suggestions for improvement of this book.

Preface

It is a great pleasure in bringing out the new edition of "Thermodynamics". The book has been written in a very simple and lucid way. Every effort has been made to make the treatments simple and comprehensive. Each chapter starts with fundamental concepts, deals with mathematical analysis to derive the expression and solve related problems. Each chapter contains all topics included in university syllabi. Each chapter contains solved numerical problems taken from university question papers. At the end of each chapter "Question Bank and Problems" are given which contain Short answer, Long Answer, Multiple choice, Fill up the blanks, One word questions (Very short answer questions) as demanded by new pattern of question paper. And for help of the students there are lab experiments at the end of the theory text which makes this book more attractive and useful.

Thus the book will be very useful to write entrance examinations for post graduate courses and will be beneficial to students preparing for CSIR-NET, SLET and GATE.

We are thankful and grateful to Publishers Kedar Nath Ram Nath for inspiring use to write this book. Our personal thanks to Mr. Ashok who is continuously encouraging in bringing out this book.

Attempts have been made to make the book error free however inspite of care some errors/omissions might have been crept in. We shall be thankful to readers who will point out then and send the suggestions for improvement of this book.

Foreword

History is the past described in written documents, and the study thereof. It relates to past events as well as the memory, discovery, collection, organization, presentation, and interpretation of information about various events. I appreciate the editors for bringing this of the book for meticulous efforts to collate research findings of Palaeolithic era, Vijayanagara era, Mughals rule and post-independence discussed during 44th Session of the Andhra Pradesh History Congress held on 4th and 5th January, 2020 in the K.V.R. Govt. College for Women (Autonomous), in the Historic City of Kumool.

I am of the view that this book carries the factual details of the socio-economic, political and religious history of Andhra Pradesh in general and Kumool District in specially. The research papers also present a tempting invitation to diverse readers and I am of the firm belief that this book will be accepted by all readers.

- Smt. Dr. C. V. Rajeswari
