

6.5.1 IQAC Initiatives

K.V.R GOVERNMENT COLLEGE FOR WOMEN (A) KURNOOL

- 1. PEER LEARNING PROGRAMME**
- 2. SCIENCE EXPO**

Contents

S.No	Title	Page Number
1	Peer Learning: 2015-20	03-50
2	Science Expo: 2015-20	51-56

2015-2016

Department: Computer Science and Applications

Date :14-09-2015

Brief Report : IIB.ScMPCs student explaining Email advantages and disadvantages for I BACE students.

Outcome: Peer learning is promoted among students.

Department: Zoology

Date : 11.09.15

Brief Report: III year BZC student G.Blessy explained the Life cycle of round worms, to IBZC year students. Nearly 45 students participated.

Outcome: Peer learning is promoted among students.

Department: Psychology

DATE: 8-9-2015

BRIEF REPORT: Psychology student K.Jayalakshmi gave a lecture on Mental health to II Year Students

OUTCOME: students understood the topic and inspired by their fellow student.

Department: English

Date: 8.3.15

Brief Report: Srinidhi of IIB.A Communicative English enlightened the students on the importance of Women's Day, on the occasion of Women's Day celebration.

Outcome: Students understood the importance of Women's Day.

Department: Home Science

Date:16.2.2016

Brief Report: W. Saritha, III year student explaining on the topic Physiological changes and nutritional requirement during Pregnancy

Department of Physics

Date:5-2-2016

Brief Report:JSujatha , III MPC Student giving a seminar to I year students on the topic ‘Bending of beams’

Outcome:It build spirit of working together

Department of Mathematics

Date :12-02-2016

Brief Report : Dept. of Mathematics has conducted Peer Teaching by N.Aishwarya, I MPCs on the Topic Solid Geometry for slow learners

Outcome : Students motivated towards peer teaching

Department of Biotechnology

Date : 15-12-2015

Name of the student involved in peer teaching : B.Mounika, III Biotechnology

Topic : DNA replication

Department of BioChemistry

Date : 15.11.2015

Brief Report: III year Biochemistry students explaining I year students basics of biochemistry.

Outcome: Peer learning is promoted among students.

2016-2017

Department: Computer Science and Applications

Date :20-01-17

Brief Report : IIIBACE student explaining about MS-Access for I BACE students.

Outcome : Peer learning is promoted among students.

Department: Zoology

Date :17.09.16

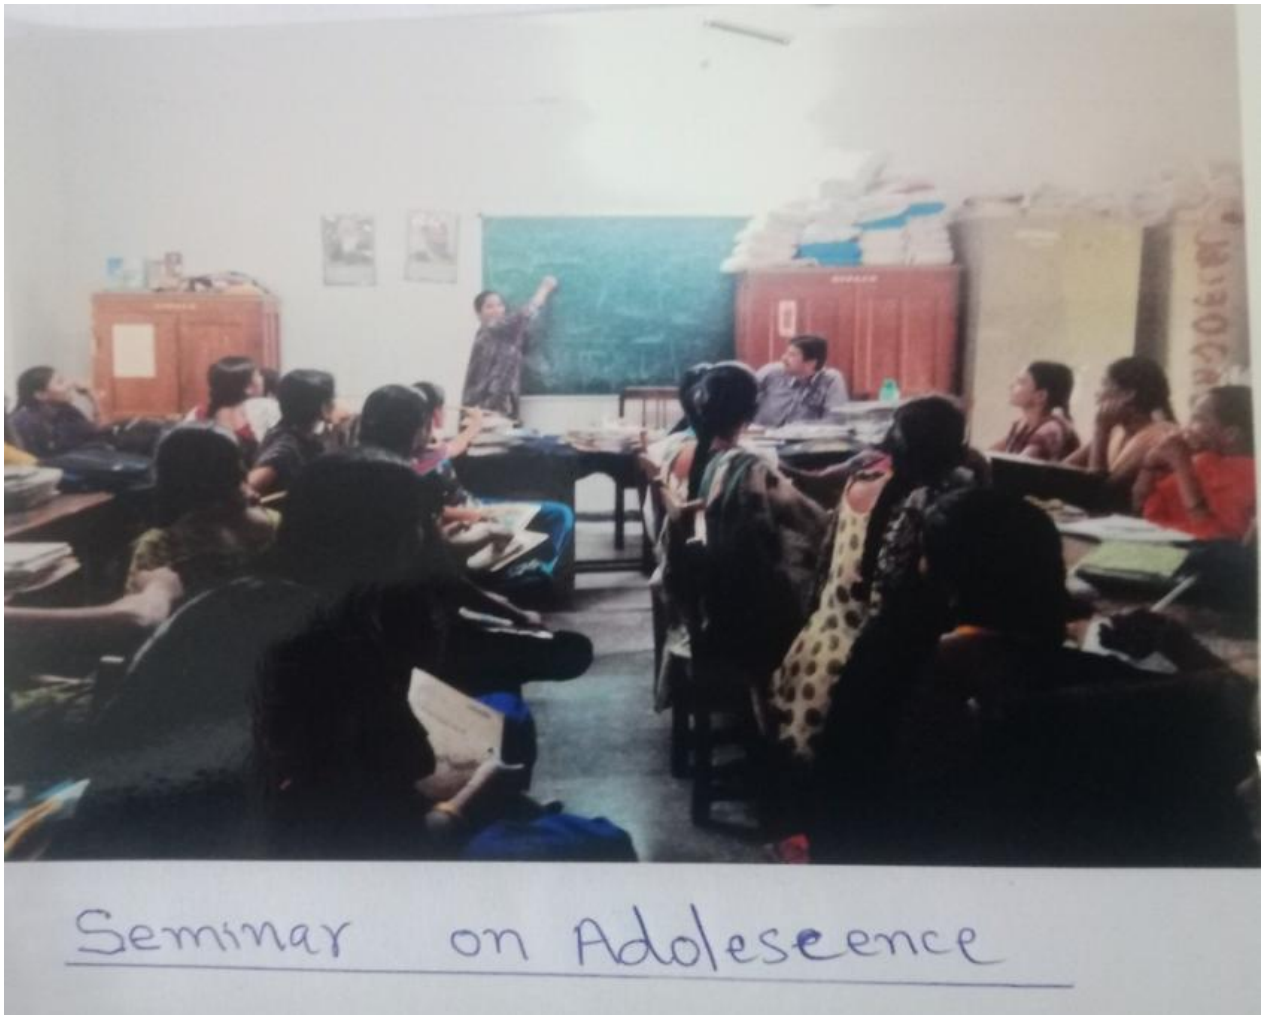

Brief Report : M.Usha Rani of III BZC E.M explained the Migration in birds, to II BZC students. Nearly 56 students participated.

Outcome :Peer learning is promoted among students.

Department: Psychology

DATE: 29-7-2016

BRIEF REPORT: K.Swathi gave a lecture on Adolescence

OUTCOME: Students inspired by her lecture.

Department: English

Date:5.9.16

Brief Report: Kalyani of IIB.A Communicative English presented a PPT on the life and career of Sarvepalli Radhakrishnan on the occasion of Teacher's Day celebration.

Outcome: Students understood the importance of Teacher's Day.

Department: Home Science

Date:6.2.17

Brief Report: P. Vasantha , III year student explaining on the topic Eating Disorder during Adolescence.

Department: Physics

Date:21-02-2017

Brief Report: III year student demonstrating the working of Supercapacitor to II year students

Outcome: Direct interaction between students promotes active learning

Department: Mathematics

Date :18-02-2017

Brief Report : Department of Mathematics has conducted Peer Teaching by D.Jyothi III MPCs for Slow learners on the topic Fourier Transform

Outcome : Students motivated towards peer teaching

Department of Biotechnology

Date :13-02-2017

Name of the student involved in peer teaching :B.Chitti, II Biotechnology

Topic :UV-Vis Spectrophotometer

Department of BioChemistry

Date :12.09.2016

Brief Report: III year Biochemistry students explaining I year students biomolecules of biochemistry.

Outcome: Peer learning is promoted among students.

2017-2018

Department: Computer Science and Applications

Date :09-10-2017

Brief Report : IIB.ScMPCs students assisted I B.Com students in doing PhotoShop Practical Program.

Outcome : Peer learning is promoted among students.

Department: Zoology

Date :25.11.17

Brief Report :R.RAMADEVI of III BZC E.M explained the structure and function of heart, to II BZC students. Nearly 45 students participated.

Outcome :Peer learning is promoted among students.

Department: Psychology

DATE: 8-7-2017

BRIEF REPORT: Psychology student M.Uma Devi gave a lecture on Adolescence

OUTCOME: Students understood the topic very well.

Department: English

Date: 18.7.17

Brief Report: Kamakshi of II B.A Communicative English explained about the importance of communicative English.

Outcome:Students understood the importance of communicative English.

Department: Home Science

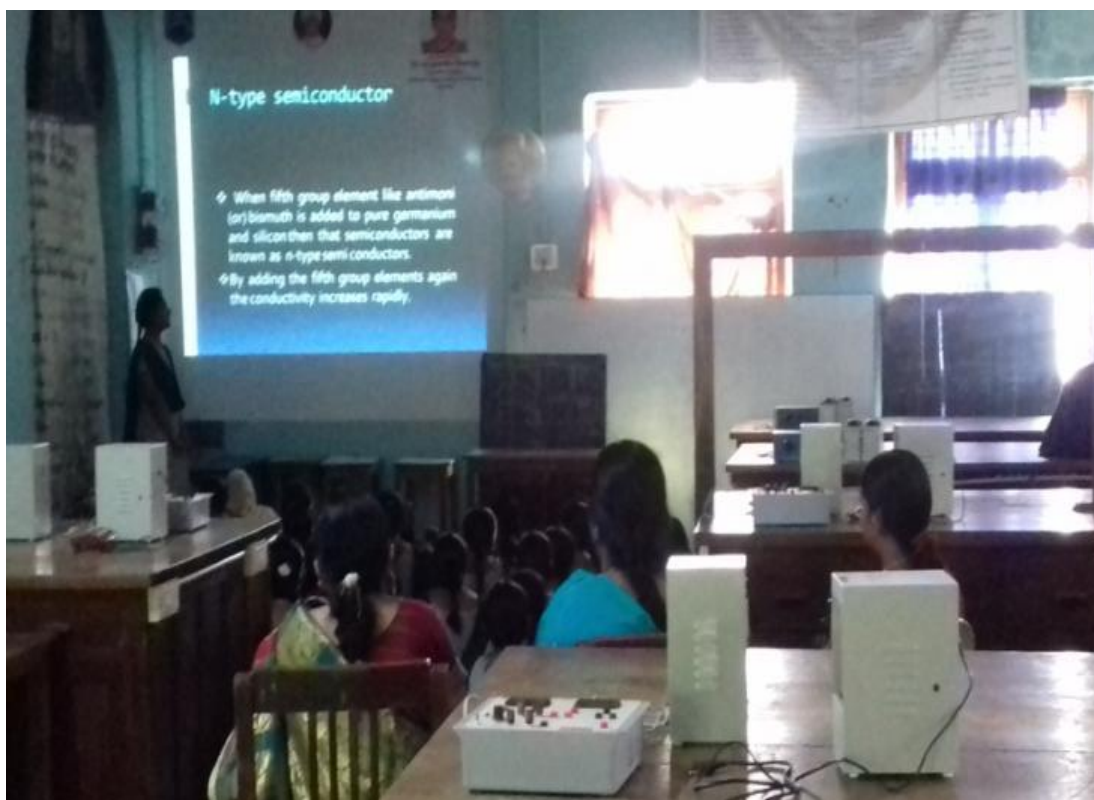

Date: 15.3.2018

Brief Report: G.Lahari, III year student explaining on the topic Dietary management of Cardiovascular disease

Department: Physics

Date:02-02-2018

Brief Report: CHKasthuri of III MPCs giving an oral presentation to I year students on the topic Semiconductor devices

Outcome: It improves students social interactive learning

Department: Mathematics

Date : 11-08-2017

Brief Report : Department of Mathematics has conducted Peer Teaching by P.Nagamani III MPC for slow learners on the topic Vector Integration

Outcome : Students got more awareness on the relevant topic .

Department: Biotechnology

Date :29-01-2018

Name of the student involved in peer teaching :K.DeviBai, II Biotechnology

Topic :Nucleic Acids

Department of BioChemistry

Date :02.12.2017

Brief Report :III year Biochemistry students explaining I year students important topics of biochemistry.

Outcome :Peer learning is promoted among students.

2018-2019

Department: Computer Science and Applications

Date :10-09-2018

Brief Report : IIB.ScMPCsstudentexplaining about Structure of Java Program for II MPCs Students.

Outcome : Peer learning is promoted among students.

Department: Zoology

Date :20.09.18

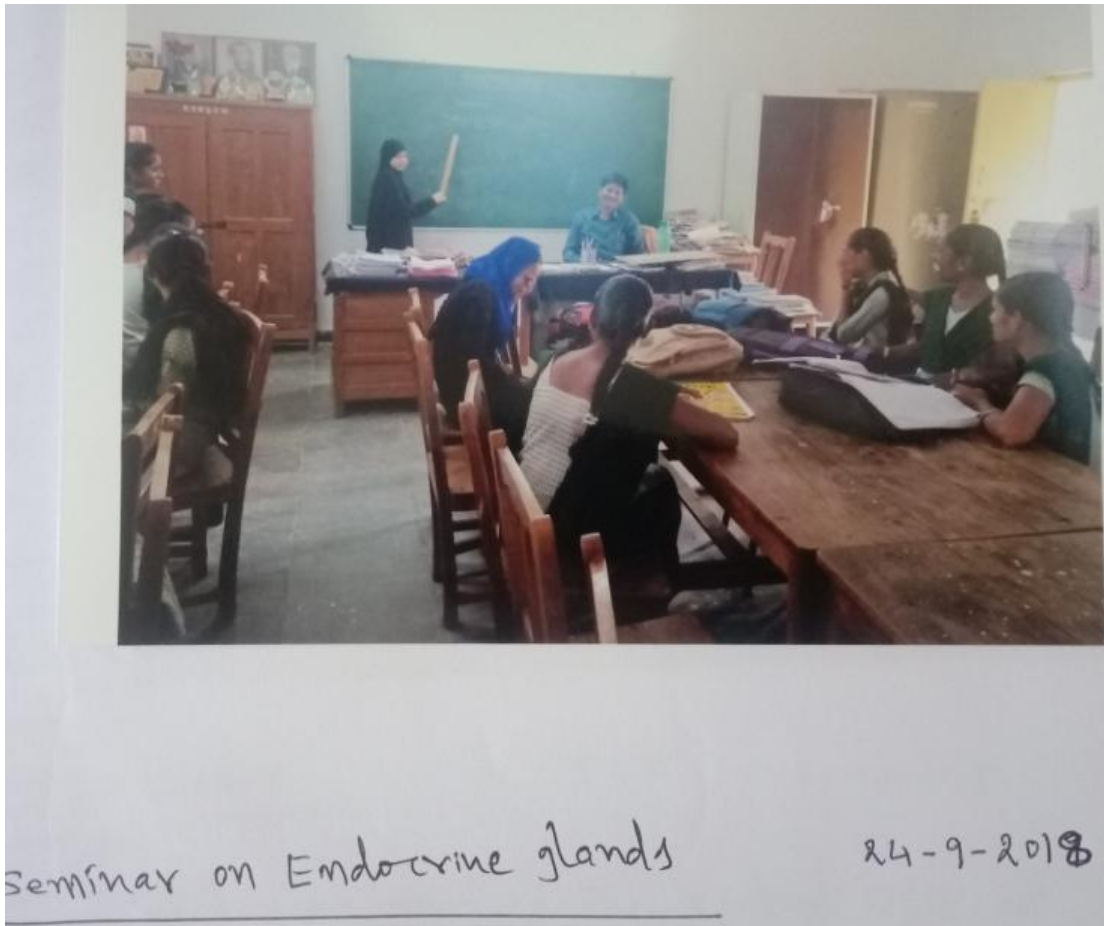

Brief Report : Kum.P. Ameenaof III BZC E.M explained PCR technique, to II BZC students. Nearly 50 students participated.

Outcome : Peer learning is promoted among students.

Department: Psychology

DATE: 24-9-2018

BRIEF REPORT: Psychology Student Shaheen gave a presentation on Functioning of Endocrine Glands

OUTCOME: Students inspired by the presentation of their fellow student.

Department: English

Date: 17.8.18

Brief Report: Sowmya of I Biotechnology described the role of Grammar in English.

Outcome: Students understood the importance of Grammar.

Department: Home Science

Date: 4.8.2018

Brief Report: J.Haritha, III year student explaining on the topic Breast milk- Best Milk for the baby.

Department: Physics

Date:4-01-2019

Brief Report: III year student demonstrating the working of solar cell phone charger to II year students

OutCome:It develops the skills to work in groups

Department: Mathematics

Date :03-07-2018

Brief Report : Department of Mathematics has conducted Peer Teaching by S.Usharani ,III MPCs for slow learners on the topic Vector Spaces

Outcome : Peer learning is promoted among students.

Department of Biotechnology

Date :10-12-2018

Name of the student involved in peer teaching :K.PadmavathiBai,

K.DeviBai,

S.Ruksana Begum, III Biotechnology

Topic :Nucleic Acids

2019-2020

Department: Computer Science and Applications

Date :03-01-2020

Brief Report : IIB.ScMCDS student Explaining about Data Structure Operators for slow learners.

Outcome : Peer learning is promoted among students.

Department: Zoology

Date :16.12.19

Brief Report : Kum.Subadraof III BZC E.M explained the Immune system, to II BZC students. Nearly 45 students participated.

Outcome : Peer learning is promoted among students.

Department: Psychology

DATE: 28-8-2019

BRIEF REPORT: Psychology Student R.Divya Keerthana gave an ICT presentation on Functioning of the Brain.

OUTCOME: Students inspired by the ICT presentation of their fellow student.

Department: English

Date: 2.12.19

Brief Report: Uma Devi of IIAdvanced English is explaining the sounds of English.

Outcome: Students are exposed to sound system and Phonetics.

Department: Home Science

Date: 7.8.2019

Brief Report: D.Suvarna , III year student explaining on the topic Nutritional management of Lactation.

Department of Physics

Date :17-2-2019

Name of the student: U Sumathi

No. of beneficiaries:30

Brief Report: U Sumathi of III year MPCs the advance learner of the class giving oral presentation on the topic terrestrial & extraterrestrial radiations of Solar spectrum

OutCome: students feel more comfortable and open when interacting with a peer. Moreover Peer teachers reinforce their own learning by instructing others

Department of Mathematics

Date:28-12-2019

Brief Report : Department of Mathematics has conducted Peer Teaching by R.Sravanthi, III MPCs for slow learners on the Topic Rings.

Outcome: Students motivated towards peer teaching

Department of Biotechnology

Date :22-07-2019

Name of the student involved in peer teaching :E.Goutham, M.Sc.Biotechnology, HCU.

Topic :Preparation for entrance examinations

SCIENCE EXPO

2015-2016

BriefReport : I,II,III Biotech students exhibited posters of the scientific events covered from news papers and magazines of the previous calendar year i.e. 2015 .

Outcome: The main motto of SCIENCE EXPO is to update students with current science issues of both national & international importance and motivate them towards research

2016-2017

SCIENCE EXPO

Date :30.01.2017

BreifReport : I,II,III Biotech students exhibited posters of the scientific events covered from news papers and magazines of the previous calendar year i.e. 2016 .

Outcome: The main motto of SCIENCE EXPO is to update students with current science issues of both national & international importance and motivate them towards research.

2017-2018

SCIENCE EXPO

Date :03.01.18

Venue: Assembly Hall, KVRGCW(A), Kurnool.

Brief Report : I,II,III Biotech students exhibited posters and models of the scientific events covered from news papers and magazines of the previous calendar year i.e 2017 .

Outcome: The main motto of SCIENCE EXPO is to update the students with current science issues of national & international importance and motivate them towards research

2018-2019

SCIENCE EXPO

Date : 13.02.19

Venue: Multi Purpose Hall, KVRGCW(A), Kurnool.

Brief Report : I,II,III Biotech students exhibited posters and models of the scientific events covered from news papers and magazines of the previous calendar year i.e 2018 .

Outcome: The main motto of SCIENCE EXPO is to update the students with current science issues of national & international importance and motivate them towards research.

2019-2020

SCIENCE EXPO

Date :30.01.2020

Venue: Multi Purpose Hall, KVRGCW(A), Kurnool.

Brief Report :I,II,III Biotech students exhibited posters and models of the scientific events covered from news papers and magazines of the previous calendar year i.e 2019 .

Outcome:The main motto of SCIENCE EXPO is to update the students with current science issues of national & international importance and motivate them towards research.
