Department: Home Science

Date: 23.8.15

Name of the Programme: Awareness programme on Importance of preventive Health check up

Activity conducted in association with: JJ Multispecialty Hospital, Kurnool

Number of Students participated: 200

Detailed Report: Awareness seminar on importance of Health check up was organized in coordination with JJ Multispecialty Hospital, Kurnool. All the staff and more than 100 students of college participated in the programme.

Department: Home Science

Date: 3.9.15

Name of the Programme: Essay writing competition and Eye donation Awareness Seminar on Importance of Eye Donation as part of Eye donation Fort Night Celebration

Resource Person if any: Principal KMC, Dr. Anjaneyalu, Ophthalmologist

Activity conducted in association with: Kurnool Medical College

Number of Students participated: 400

Detailed Report: Essay writing competition and awareness Seminar on Importance of Eye Donation was conducted as part of Eye donation Fort Night Celebration. Winner were given prize in the valedictory function

Department: Home Science

Date: 9.9.15

Name of the Programme: Guest lecture on Psychology & Personality Development

Resource Person if any: Smt. Sandhya Lakshmi, lecturer in Home Science, Hajira Degree college, Kurnool.

Activity conducted in association with: Hajira, College, Kurnool

Number of Students participated: 25

Detailed Report: Guest lecture was given on the topic "Intelligence" to I yr students as part of Psychology and personality Development course by Smt. Sandhya Lakshmi, lecturer in Home Science, Hajira Degree college, Kurnool.

Department: Home Science

Date: 15.10.15

Name of the Programme: Field Trip to Anganwadi

Activity conducted in association with: Dept. of women & child welfare, ICDS urban, Kurnool

Resource Person if any:

Number of Students participated: 25

Detailed Report: As Part of their Practical syllabi related to Human Development, Family, Community and Therapeutic Nutrition courses, all the II & III B.Sc. Home science students were taken to visit the Anganwadi center, NR Pet, ICDS Project, Kurnool. Students learned about various services of ICDS provided through Anganwadi center. They observed and participated with children and explored various teaching aids available in the center.

Department: Home Science

Date: 7-12-15 to 12-12-15

Name of the Programme: Practice teaching at Anganwadi, NR Nagar

Activity conducted in association with: Dept. of women & child welfare, ICDS urban, Kurnool

Number of Students participated: 9

Detailed Report: As Part of their Practical syllabi related to Early childhood care and Education course, all the III B.Sc. Home science students were placed for Practice teaching at Anganwadi center, NR Pet, ICDS Project, Kurnool. Students prepared theme based curriculum and teaching for their practice teaching.

Department: Chemistry

Name of the Activity: Field trip

Date: 02.12.2015

Resource person/place visited/in association with: Industrial Estate kallur, Kurnool.

Brief report: The faculty of Department of Chemistry alongwith 36 II and III year B.Sc; students went on a Field trip to Industrial Estate, Kallur Mandal, Kurnool (Dist) on 02 – 12 – 2015. As a part of this field trip we visited three industrial units: Sri Venkateswara PVC Pipes, Ltd;Nandini Plastics Ltd; and Sri Vasavi Alluminium Plates & Vessels Ltd;

Department: Computer Science and Applications

Name of the department	: Computer Science and Applications
Activity	: Computer Literacy Day
Date	: 02-12-2015
Name of the resource person	: B.Mounika ,S. Shehjadi Banu, B.Jyothi,
Topic	: Internet Search Engines
Place to which visited	: Tanguturi Prakasham Panthulu Memorial High School,
No. of Students involved	: 50
Year	: 2015
Conducted in collaboration with	: Tanguturi Prakasham Panthulu Memorial High School, Prakash Nagar, Kurnool.

BRIEF REPORT: Celebrated Computer Literacy Day at Tanguturi Prakasham Panthulu Memorial High School, Prakash Nagar, Kurnool.

Outcome: Students learned basics of internet and different types of search engines.

Department: Biotechnology

Date: 06.10.15

Name of the Lecturers: G. Indravathi and P.Sangeetha

Brief Report: The department of Biotechnology has organized Health Camp on 06.10.15. The main theme of the programme was to conduct Blood Grouping, determine the percentage of Hb and BMI of all I year students of KVR GCW, Kurnool.

Outcome: Students got awareness on health, hygiene, fitness and importance of blood donation.

2016-17

Department of Women Empowerment Cell

Name of the Department: Women Empowerment Cell

Activity: Medical camp on pushkaras

Date: 20-08-2016

Name of the resource person: Dr. Sharath Chandhra

Topic: Important precautions while taking pushkara bath

No. of Students involved: 400

Class/Year: I, II & III Students

Conducted in collaboration with: Rama Krishna Seva Samithi

Report: The Department of Women Empowerment Cell and History with collaboration of Sri Rama Krishna Seva Samithi. Participated in medical camp Given awareness on pushkara bath of Krishna river. Dr. Sarath Chandra given a lecture about skin disease. Nearly 400 students has taken treatment from him.

Department of Women Empowerment Cell

Activity: Women Equality Day Celebration

Date: 26-08-2016

Name of the resource person: Smt. Nirmala Vice president IDWA (P)

Topic: Women Equality

Place to which visited: Assembly Hall

No. of Students involved: 200

Class/Year: I, II & III Year Students

Conducted in collaboration with: IDWA

Report: The Department of Women Empowerment Cell and History organized a guest lecture on this occasion of women equality day. IDWA vice president of AP Smt Nirmala garu attended as resource person. By these program students got awareness on this topic.

Department of Women Empowerment Cell

Activity: Legal Awareness program

Date: 29-08-2016

Name of the resource person: Smt. Anupama Chakravarthi

Topic: Legal Awareness program

Place to which visited: *Assembly Hall*

No. of Students involved: 200

Class/Year: *I, II & III Year Students*

Conducted in collaboration with: Lokh Adalath

Dhanalakshmi, Scientist from Banaganapalle KVK, CDPO’s , Extension Officer and Anganwadi worker attended the meeting. The Department was open for all the staff and students of the College. Nutritional Assessment and Counselling was given to interested teaching, non-teaching and students of the college. Various nutritious food items were exhibited

Dept. of Home Science

Date: 6.9. 17

Name of the Programme: Health Awareness Seminar on Poly cystic Ovary Syndrome
Organized in collaboration with Acumentis healthcare Pvt. Ltd. & Dept. of Political Sc.

Number of Students participated: 1000

Detailed Report: Awareness seminar on PCOS- Poly cystic ovary syndrome was organized in coordination with Acumentis healthcare Pvt. Ltd. Dr. Surekha, Gynaecologist explained on the various aspects of Hormonal changes and Poly cystic ovary syndrome. More than 1000 than students attended the programme in Open Air Theatre of the Hostel campus.

Dept. of Home Science

Date: 15.9.17

Name of the Programme: Field Visit to Kasturba Gandhi Balika Vidyalayam, Lakshmi Puram
Activity organized in collaboration with **Dept. of Women and Child Welfare**

Number of Students participated: 22

Detailed Report: The third BSc. Home Science students were taken to village to attend Adolescent development programme in Kasturba Gandhi Balika Vidyalayam of Lakshmi Puram village by Dept. of Women and Child welfare, Govt. of A.P.

Dept. of Home Science

Name of the Programme: Adolescents Development Training Programme

Date: 16.9.17

Activity organized in collaboration with : Dept. of Women and Child Welfare, Dept. of Education, Dept. of Public Health

Number of Students participated: 100

Detailed Report: The Adolescent Development Training programme was organised in collaboration with various Govt. Department. A team of expert trainers from East and West Godavari District trained students of B.Sc. Home Sc. and KVSr Engineering college to prepare them as Peer Leader.

Department of Chemistry

Name of the Activity: Field Trip

Date: 03 – 11– 17 AN

Place visited: Visit to Office of Deputy Director of Mines and Geology, Kurnool

No. of Students Benefited: Faculty and UG students (25)

Brief Report: The Department of Chemistry and cluster students (III MPC, BZC, BC & BT) visited Deputy Director of Mines and Geology, Kurnool. Sarala Devi of Quality Department explained the extraction of magnetite, hematite and lime stone ores from earth crust and the percentage of calculation of elements present in the ores. She also explained the percentage of fluorine and other elements present in the water.

Department of Chemistry

Name of the Activity: Field Trip

Date: 03 – 1– 18 AN

Place visited: Visit to pump house, Kurnool.

No. of Students Benefited: Faculty and UG students (40)

Brief Report: The faculty and students of Chemistry department visited 'Municipal Corporation pump-house located in Ashok nagar, Kurnool. Mr Joseph the Supervisor of Municipal Corporation pump-house explained the various processes and stages involved in the purification of water such as sedimentation of silt, filtration, chlorination, reverse osmosis and water quality testing. He also showed the big motors with heavy pipelines which supply water to different areas in the city of Kurnool and also to the various mandals of Kurnool district.

Department of Chemistry

Project Title: Identification of phenolic compounds in banana fruit using different artificial ripeners by gas chromatography mass spectrometry

Student: K. MADHAVI (1652009)

Under the Guidance:

SUPERVISOR: Dr. U. V. R. Vijayaradh

Senior scientist

Address: Analytical chemistry & Mass spectrometry Department,
CSIR-Indian Institute of Chemical Technology,
Hyderabad-500007,
Telangana,
India.

Department: Computer Science and Applications

Name of the department : Computer Science and Applications
Activity : Computer Literacy Day
Date : 04-12-2017
Name of the resource person : N.Mounika, S.A.Yasmeen,N.Aiswaraya
Topic : Importance of Computer Literacy
Place to which visited : AH
No. of Teachers involved : 50
Year : 2017
Conducted in collaboration with : Anganwadi Teachers

BRIEF REPORT: Conducted Awareness program on importance of “computer Literacy” for Anganwadi teachers” by Final year B.Sc. MPCs students.

Outcome: The Anganwadi staff got benefited with the basics of computers.

Department: Biotechnology

Date: 19.12.17

Name of the Resource person : Dr.G.Bhavani Prasad , Former Principal, Kurnool Medical College.

Brief Report : An awareness program on Diabetes was conducted to create awareness among students by Dr.G.Bhavani Prasad , Former Principal, Kurnool Medical College.

Outcome: Students were cautioned about the ill effects of life style diseases and emphasis was given on healthy diet and regular exercise.

2018-19

Department of Mathematics

Date : 05 – 07 – 2018

Department of Mathematics arranged Invited Lecture by Sri T.Chandra Shekar,Lecturer in Mathematics, Silver Jubilee Govt.College, Kurnool on 05-07-2018 for all the second year students.

Department: Zoology

41
The following members were present for the Board of studies meeting conducted by the dept of zoology on 06-06-2018 at 10.30 Am.

Date: 12/11/2018

Resource Persons invited/ Place visited: Govt.fisheries, Kurnool

Activity conducted in association with: Govt.fisheries, Kurnool

Number of students benefited:

70

Department: Chemistry

Date : 27.12.2018

Brief Report: Final B.Sc students are taken to Field trip to Sri Rayalaseema Alkalis and Allied Company. Students gained knowledge on the preparation of soaps, Detergents, Hypo in bulk.

They also gained knowledge on the purification of water.

Dept. of Home Science

Date: 27.07.18

Name of the Programme: Certificate course on fashion designing

Activity organized in collaboration with: Kurnool Institute of Fashion Technology, Kurnool

Detailed Report:

A Certificate course on fashion designing was offered to all interested students of college in collaboration with Kurnool Institute of Fashion technology. Classes were conducted from 9.30 am to 12 pm before the working hours of the college. Student learnt about basics of garment construction and designing.

Dept. of Home Science

Date: 14.9 2018

Name of the Programme: Practical visit to Kurnool Medical College

Activity organized in collaboration with: Kurnool Medical College, Kurnool

Number of Students participated: 32

Detailed Report: All I year BSc. Home science students were taken to visit Dept. of Microbiology and physiology of Kurnool Medical college. Students were oriented about tools, techniques of Microbiology. A batch of 32 students along with faculty members P. Jhansi Rani, and B. Rajitha Devi, had visited the hospital. A detailed explanation and presentation was given about the tools and techniques used in Microbiology, Staining procedures, Grams staining, Acid-fast staining, Sterilization Techniques etc. **Learning Outcome:** Overall, the visit was very informative and enjoyable. We came to know regarding the tools and techniques used in Microbiology and Biochemistry and the role of Hospital in the overall health management.

Dept. of Home Science

Date: 30.10.18

Name of the Programme: Felicitation of superintendent of police, Kurnool for the donation and renovation work taken up by them.

Activity organized in collaboration with: Police Department, Kurnool

Number of Students participated: H.Sc. I, II and III year students

Detailed Report: Felicitation was done to Superintendent of Police, Kurnool for the Donation and Renovation work taken up by them. The Plumbing, Flooring and Carpentry work of Food science Lab, Staff room and Wash rooms were done by them.

List of items donated:

1. LED projector - 01
2. Sewing Machines - 10
3. Class room chairs - 50
4. Centre tables big - 6
5. Lab Benches - 10
6. Iron stools- 30
7. Steel almirah- 02

Dept. of Home Science

Date: 4.1. 19

Name of the Programme: Invited lecture on Basic Nutrition

Number of Students participated: BH.Sc. I year students: 31

Activity organized in collaboration with: Osmania college for women, Kurnool

Learning Outcome: Awareness created among students about Basal metabolic rate.

Detailed Report: As a part of Basic Nutrition a guest lecture was given by Smt.B. Sandhya lakshmi about BMR on 04/01/2019 organized by Smt.P.Jhansi Rani

Department: Computer Science and Applications

Name of the department : Computer Science and Applications
Activity : Field Trip
Date : 24-09-2018
Name of the resource person : II MPCs Students
Topic : equipment and software used in computerised embroidery.
Place to which visited : Niharika Multi Head Computer Embroideries
No. of Students involved : 30
Year : 2017
Conducted in collaboration with : Niharika Multi Head Computer Embroideries

BRIEF REPORT: The students of I MPCs along with the staff Visited to "Niharika Multi Head Computer Embroideries".

Outcome: The students were able to know about the equipment and software used in computerised embroidery.

Department: Computer Science and Applications

Name of the department : Computer Science and Applications
Activity : Field Trip
Date : 19-09-2018
Name of the resource person : II MCDS Students
Topic : Data Science and networking
Place to which visited : Rayalaseema University, Kurnool.
No. of Students involved: : 25
Year : 2017
Conducted in collaboration with : Rayalaseema University, Kurnool.

BRIEF REPORT: The students of I MCDS along with staff Visited Rayalaseema University, Kurnool.

Outcome: The students learnt the scope and applications of Data Science and networking in RU Campus.

Department: Biotechnology

Date :07.09.18

Name of the place visited: Omega Cancer Hospital ,Kurnool

Brief Report: The Department of Biotechnology has organized a field visit for III Biotechnology students to Omega Cancer Hospital, Kurnool.

Outcome: Students were given awareness about different treatment methods of cancer and were also cautioned about the ill effects of cancer and emphasis was given on healthy diet and regular exercise

2019-20

Department of Mathematics

Date: 05-08-2019

The Department of Mathematics has conducted Invited Lecture by Sri T.Chandra Shekar, Lecturer in Mathematics, Silver Jubilee Govt. College, Kurnool on 05-08-2019 for all I year Mathematics students.

Department: Zoology

Name of the Activity: Certificate course on ornamental fishes.

Date:30-11-19

Resource Persons invited: Sri S.Javed, from SR.AQUARIUMS, Smt.Shyamala F.D.O Inland fisheries

Activity conducted in association with: Inland Fisheries,Kurnool.
