POLICY FOR THE PROMOTION OF RESEARCH

KVR Govt Degree College has a Research committee that coordinates, facilitates the development and execution of a research agenda and is monitored by The Principal. The Research committee takes several processes, procedures, systems and standards that have been recommended for implementation to enhance the quality of research as per the UGC norms.

The following recommendations have been made by Research committee:

- All eligible faculty is given permission to pursue research work leading to Ph.D doctoral program.
- Faculty of each department shall conduct research in concerned areas with help of central government /non government funding agencies.
- The research committee encourages faculty for apply government funded Research projects.
- Faculty publication must be in either WEB of science or SCOPUS UGC WEB Site indexed journals
- All publications and research papers of faculty have to go through plagiarism check.
- Every faculty shall apply for internal project with an aim to apply for external funding. The required seed money for internal projects is provided by Institution.

- The faculty of all the departments of the College shall collaborate with Industries and corporate bodies to undertake funded research in emerging areas and industry relevant areas.
- The faculty of the College are encouraged to organize workshops /seminar.
- And are also permitted to act as resource persons in the events such as workshops and conferences conducted on the campus or elsewhere.
- The faculty of the College are encouraged to select society specific problems and conduct research and come out with appropriate solutions.
- The College faculty shall visit at least one village in the neighborhood as part of Adopt a village programme to investigate the problems, find solutions and implement the same using technology expertise.
- Students are encouraged to participate in the extension and outreach programmes organised by the College.
- The faculty are permitted to work in other Colleges as part of faculty exchange programme.
- All Research and Non-research consultancies as described in this Policy are to benefit the College revenue, enhanced reputation, and/or expanding the expertise of the staff member.
