**ORDER :**

The redeployment of surplus teaching staff in Private Aided Degree Colleges in the State is under consideration of the Government for quite some time. It has come to the notice of the Director of Collegiate Education, Andhra Pradesh, Hyderabad through various reports including the reports of the internal Audit of this Department, that certain lecturers working in Private Aided Colleges are being paid their salaries from Grant in Aid even though they are not having sufficient workload due to uneconomic student strength in various groups and subjects for the last three academic years. If these lecturers are continued in the same places without properly and fully utilizing their services to cater to the educational needs of the students, it leads to misuse and wastage of public funds and loss to State exchequer. Also there is a need to shift the students to local/ nearby colleges from those colleges wherever uneconomic strength is noticed and as a consequence, the identified surplus staff are also to be shifted to needy colleges for better and fuller utilization of their services. The shifting is proposed to protect the welfare of the staff to avoid the stoppage of Grant in Aid, to such posts and to avert retrenchment of staff, who otherwise will have to be terminated on account of uneconomic strength continuously for three or more years. On the other side, due to administrative and other reasons, number of lecturer posts are vacant in Govt./ Private Aided Degree Colleges in the State.
