

# ACADEMIC COUNCIL MEETING - 1

**DATE : 23-09-2015**

**TIME : 10.30 AM**

**KVR Govt. College for Women (A)**  
**(AUTONOMOUS)**

**Accredited with 'A' Grade by NAAC**

**KURNOOL-518 004**

**KVR GOVT. COLLEGE FOR WOMEN (A), KURNOOL**  
**ACADEMIC COUNCIL MEETING - I 2015-16**

**DATE. 23-09-2015 AT 10 AM**

**MINUTES OF MEETING**

The academic council of KVR Govt. College for Women (A), Kurnool met in Principal's Chamber, Chaired by Dr.M.Purushotham Reddy, Principal. The meeting was started with the initiation of the Principal, Dr.C.P.Lakshmi Prasuna, presented the agenda and the academic council discussed the academic issues and passed the following resolutions.

**1. Approval of Minutes of BOS meetings:**

The BOS meetings in all the subjects for the Academic Year 2015-16 were conducted during the months of June, July, August & September and the academic matters discussed and approved are given below.

**i) Revision of Curricula of 1<sup>st</sup> Year Courses:**

The changes in the curricula of different subjects of UG and PG are compiled in the form of bound books (Separate for both UG and PG). Major changes in the syllabi of different subjects are given in bound books.

**ii) Revision of Practical in Science Subjects :**

List of practicals to be done in each science subject were discussed and approved in BOS and it was also approved to conduct practical examination at the end of semester-II for 50 marks in UG and for PG.

**iii) Removal of practical in English :**

It is discussed and approved in BOS meeting to remove practicals in English subject.

**Discussion :**

1. English practicals removed.
2. Telugu department introduced humorous short stories.
3. Grammar in Hindi. New short stories (gazale),
4. Organo metallism deleted in Chemistry,
5. Data base concepts added in Computer Science.
6. Solid Geometry in Mathematics.
7. Applications in Physics.
8. Cell Biology in Bio-Chemistry.
9. Structure and Organism in Cell Biology in Biotechnology.

*(B. Srinivas Reddy)*  
*CG. H. Phily*  
*23/9/15*  
**PRINCIPAL**  
KVR Govt. College for Women (Autonomous)

10. Ecological bryophytes (importance of bryophytes) introduced, Coelenterates, protozoa, echinoderm larva and comparative study of respiratory system and heart of vertebrates in Zoology,
11. Home Science - To Transfer from the curriculum from traditional theoretical components to practical such as personality development along with emotional Intelligence.
12. Economics, Rural Development & History – Accepted and followed common core syllabus.
13. Political Science - Human Rights, Power and Authorities added in syllabus.
14. Psychology – Singer theory of emotions added.
15. Commerce – Accounting standards and cooperative societies included. Money and banking is added in B.Com. CA. Added accounting packages and managerial skills in syllabus.
16. M.Sc. Botany – Plant physiology and Plant Biochemistry.
17. M.Sc. Chemistry - Environmental chemistry and chemical group theory and spectroscopy papers are introduced.
18. M.Com. Professional – Business economics based on fluctuations, consumer behaviour introduced.
19. M.A. English – Third Unit of Indian Literature (Nissim Ezekiel) added. One month crash course in Spoken English for all PG students with Rs. 100/- per head.

#### Resolution :

The changes made by various departments in their BOS meetings are approved by Academic Council.

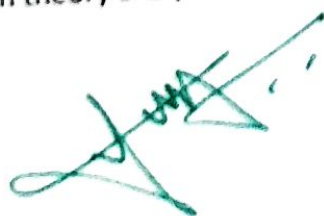

#### 2. Internal and external examinations :

- i) 25 marks are allotted for internal assessment and 75 marks are allotted for external examinations and is approved in BOS meetings for UG & PG.
- ii) UG - For Internal examination, out of 25 marks, 15 marks are allotted for two mid-semester examinations (compulsory), whose average is taken (compulsory), 5 marks are allotted for assignment and the rest of the five marks are given for project/seminar/group discussion/quiz/viva-voce in UG.
- iii) PG - 20 marks in mid-sem 1&2 whose average is taken (compulsory) and 5 marks for assignment.
- iv) 40% of pass marks for both internal & external examinations is mandatory i.e. the candidate has to secure 10 marks out of 25 in internal and 30 marks out of 75 in external examinations.

#### Discussion :

2 mid-semester examinations are compulsory whose average will be taken.

For PG evaluation 1 internal and 1 external (2 examiners evaluate the papers) for both theory and practicals.

*n. Soman*

K.V.R. Govt. College for Women (Autonomous)

*Alfred Jayaram*  
23/9/15  
*B. Sanyal*

If there is any disparity of 15% of marks or more then a 3<sup>rd</sup> evaluation is taken up.

List of panel of paper setters and examiners introduced.

**Resolution :**

It is unanimously approved in the Academic Council Meeting.

**3. Model Question Papers :**

Panel of question paper setters and examiners were discussed and approved in the BOS meetings. The details are provided in the bound book.

**Discussion :**

In PG 5 out of 7 short notes and 4 internal choice essays are added.

**Resolution :**

It is unanimously approved in the Academic Council Meeting.

**4. Approval of Academic Calendar for 2015-16 :**

The examinations branch prepared the academic calendar for the academic year 2015-16.

**Discussion :**

It is discussed and approved.

**Resolution :**

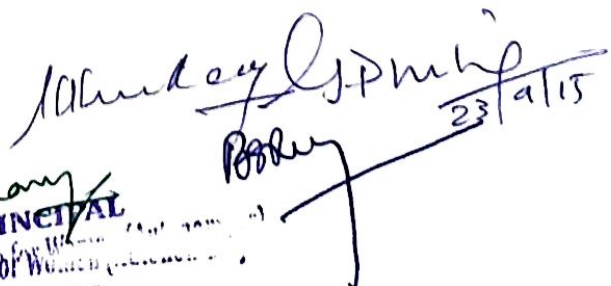

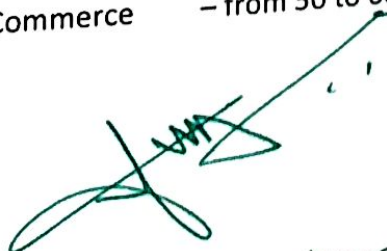

It is unanimously approved in the Academic Council Meeting.

**5. Enhancement of seats :**

Staff Council discussed and approved to enhance the seats in different courses as follows from the next academic year i.e. 2016-17.

**UG COURSES :**

1. Arts groups - from 50 to 60
2. Science groups - from 40 to 60
3. Commerce - from 50 to 60

23/1/15

**PG COURSE :**

4. M.Sc. Botany - from 30 to 40

Discussion :

It is discussed and approved.

Resolution :

It is unanimously approved in the Academic Council Meeting.

**6. Modification / change of sanctioned course at UG level :**

The staff council discussed and approved to change the sanctioned B.Sc. Course with the combination of Biochemistry, Chemistry and Computer Science to B.Sc. course with the combination of Physics (non-maths), chemistry and computer science from the next academic year 2016-17 with an intake of 60 students. B.A. Course with the combination of History, Communicative English, Computer Applications to B.A. with the combination of History, English Literature, Computer Science with an intake of 60 students.

Annexure – 4.

Discussion :

It is discussed and approved.

Resolution :

It is unanimously approved in the Academic Council Meeting.

**7. New Courses :**

Staff council discussed, approved to introduce two new courses i.e. MA (Telugu) and MA (History) at PG Level and another section with an intake of 60 students for B.Sc.(MPCs) at UG level from the next academic year 2016-17.

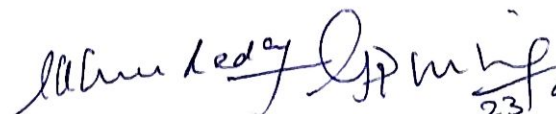

Annexure 4&5 – Page. No.

Discussion :

It is discussed and approved.

### iii) Project Work

Project Work for 100 marks is included for M.Com. Prof. Students in the 4<sup>th</sup> semester.

### iv) Foundation Courses :

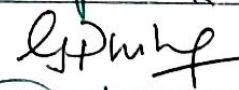

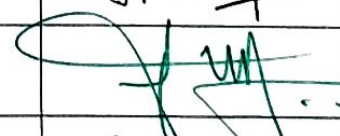

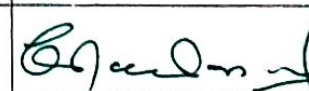

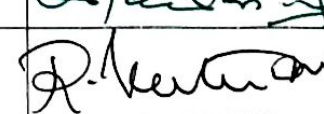

As per APSCHE , 10 foundation courses are introduced. Semester I: HVPE & ES ; Semester II: ICT-I & CSS-I ; Semester III ICT- II & CSS – II ; Semester IV: CSS-III, Leadership Education, Entrepreneurship , Analytical skills

### Discussion :

Each course should have clear objectives mentioned and at the end of the course accountability must be there.

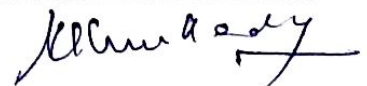

To get the students of commerce to be trained through Chamber of Commerce.

1. English :To make the students familiar with the major romantic poet Wordsworth and to create ecstatic sense related to nature, To introduce the renowned Telugu Feminist writer P.Satyavathi, Stephen Leacock, world famous short story writer O. Henry
2. Telugu: Syllabus is coined to inculcate moral and human values; and to familiarise with the previous glory of Rayalaseema.
3. Hindi. Total Bhakti Kaal is introduced
4. Urdu: Old poetry , Meer Anees's new strazas introduced
5. Chemistry: As per APSCHE and certificate course on Fair & Lively is going to be started in the IV Semester for all the students in the college.
6. Computer Science: Assembling of a Computer, MS Office real time examples, Data Analytics & Security should be included.
7. Mathematics : As per APSCHE
8. Physics : Applications of He- I & He-II , Scalar & vector triple products introduced
9. Bio-Chemistry: As per APSCHE

10. Biotechnology: Euchromatin, Hetero Chromatin, Specialized chromosomes are added.
11. Botany: Medicinal Botany is added
12. Zoology: As per APSCHE & Online video labs are shown to the students instead of dissecting the animals.
13. Home Science –Food Technology, financial aspects of Housing, technique used in textile industry, upcoming trend in the Interior Decoration, additional practical knowledge in clothing construction
14. Economics Rural Development, History - Accepted and followed APSCHE syllabus
15. Political Science –Powers of the President, Vice President and Assembly are included.
16. Psychology – Decision making and groups, leader behaviour added.
17. Commerce –Indian central bank functions, credit control measures, credit card & debit card & Tally programme for better employment opportunities are added are added in B.Com.
18. M.Sc. Botany – open elective must be opted related to the students.
19. M.Sc. Chemistry – Rayalaseema University Syllabus is followed.
20. M.Com. Professional –Business economics based on fluctuations, consumer behaviour introduced.
21. M.A. English –American literature 1 paper & History of English language as another paper in the place of American literature 2 are followed. Spoken English Certificate course for PG students.CSS as open elective Paper.

## ACADEMIC COUNCIL MEETING - 3

DATE : 22 – 03 – 2018

TIME : 10.30 AM

**KVR Govt. College for Women (A)**

**(AUTONOMOUS)**

**Accredited with 'A' Grade by NAAC**

**KURNOOL-518 004**

**KVR GOVT. COLLEGE FOR WOMEN (A), KURNOOL**  
**ACADEMIC COUNCIL MEETING – III 2017-18**

**DATE. 22-03-2018 AT 10.30 AM**

**MINUTES OF MEETING**

The Academic Council of KVR Govt. College for Women (A), Kurnool met in principal's Chamber, Chaired by Dr.C.V.Rajeswari, Principal. The meeting was started with the initiation of the Principal, Dr.C.P.Lakshmi Prasuna, presented the agenda and the academic council discussed the academic issues and passed the following resolutions.

***1) Ratification of syllabi followed for I & II Years :***

1. The Syllabi approved in the last academic council meeting (AC-2) for the I Year ( I & II Semesters) and for the II Years (III & IV Semesters) of Bachelors degree are followed in the academic year 2017-18. All the ten foundation courses approved by APSHE are followed in Toto for the I & II Year bachelor degree students.
2. The syllabi approved in the last academic council meeting for the PG courses for the III & IV semesters are followed. It is kept before this academic council for ratification.

**Discussion :** Ratified the above.

***II. Approval of the syllabi for V & VI semesters of UG and III & IV semesters of PG:***

BOS meetings in different subjects were conducted during June to August 2017, the academic matters discussed and approved are as follows. The

S.No.	Name and designation	Cadre	Signature
1	Dr.C.V.Rajeswari, Principal, KVR Govt. College for Women (A), Kurnool.	Chairperson	
2	Prof. Venugopal Rao, Dept. of Management, S.K.U, Anantapuram	University Nominee	-
3	Dr. DVR. Sai Gopal, Department of Virology, SVU, Tirupati	University Nominee	
4	Prof.S.Jyothi, Dept. of Computer Science, SPMVV, Tirupati	University Nominee	
5	Sri T.G.Bharath, CEO, Sree Rayalaseema Hi-Strength Hypo Ltd, Knl.	Member-Industry	
6	Sri Buchanna, Auditor, Kurnool.	Member-Commerce	
7	Dr. Radhika, Gynecologist, Kurnool.	Member-Medicine	
8	Dr. M.Nagaraju, Principal Rtd, Budawar Pet, Kurnool.	Member-Education	

changes made in the curricula of different subjects of UG & PG are compiled in the form of bound books. Major changes in the syllabi of different subjects are given annexure-1.

Similarly the changes made in the curricula of different subjects in PG courses are compiled in the form of bound book.

#### Discussion :

##### Chemistry :

Electron Spin Resonance Spectroscopy is replaced by Mass Spectroscopy. Spectral Identification unknown organic compounds experiment is added.

##### Computer Science :

Types of Cascading Style Sheets and all font styles added in Unit-II of Web Technologies. Map reduce algorithms, architecture & reducing phase execution added in Unit – IV.

It is recommended in the AC meeting to bring the following changes in cluster elective.

To combine Big Data Technology paper in foundations of Data Science Paper.

To introduce cloud computing as one cluster paper.

##### Mathematics :

Singular and Non-singular transformations, inverse linear transformations added as the topic is an extension of linear transformations which is useful for PG entrance examinations.

##### Physics :

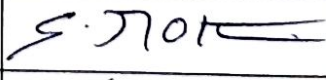

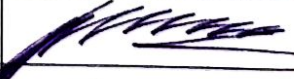

Renewable energy resources Cluster is followed in VI semester as there is a lot of demand for non-conventional energy resources and the government is also giving lot of importance to solar and wind energy.

##### Biotechnologies :

Types of DNA and RNA, Mutations and repair in DNA are included to create awareness among the students about DNA and its repair.

##### Botany :

Medicinal Botany is included in paper – iii to make the students understand medicinal values of plants.

S.No.	Name and designation	Cadre	Signature

7	Dr. Radhika, Gynecologist, Kurnool.	Member-Medicine	
8	Dr. M.Nagaraju, Principal Rtd, Budawar Pet, Kurnool.	Member-Education	

**Home Science :**

Legal aspects of adaptation, property and domestic violence at traditional textiles.  
To introduce food technology and nutrition in Home Science.  
To include beautician course in Home science.

**Zoology :**

Aqua culture is added in VI semester for cluster so that the students can emerge as entrepreneurs in aqua forming.

**Advanced Telugu :**

In semester V Bashasastram – Anyadesalu, Adhana Pradhanalu added. Suggested to introduce courses linked with language and technology i.e. natural language processing and srilipi.

**Advanced Urdu :**

In semester VI, Knowledge of new version in research & criticism topic is added.

**Economics :**

Descriptive economic statistics cluster elective is added in semester VI to give basics of statistics for the students of economics. It is well appreciated by the academic council.

**Political Science :**

Some of the topics like IMF and World Bank, relation between neighbouring countries are clubbed. Local bodies in Andhra Pradesh is introduced in Sem. V.

**Psychology :**

Certain repeated topics like dependent personality disorder, Histrionic personality disorder is removed. It is suggested to introduce more add-on courses on Psychology.

**MA English :**

American literature is added as it is one of the optional papers for NET/SLET. It is suggested to make some changes to make the students write IELTS and GRE.

**M.Com :**

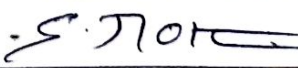

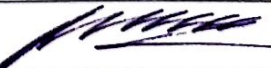

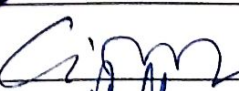

An open elective on taxation is introduced for the II semester Students. It is suggested to introduce Women Entrepreneurship courses.

**M.Sc. Botany :**

4 papers are merged into 2 papers. A project work for 300 marks is introduced in IV semester.

**M.Sc. Chemistry :**

An elective bioorganic chemistry is introduced.

8	Dr. M.Nagaraju, Principal Rtd, Budawar Pet, Kurnool.	Member-Education	

**Resolution :**

The syllabi are approved with minor changes suggested by the Academic Council.

**III. Internal & External assessment:**

- a) 40 marks are allotted for internal assessment and 60 marks are allotted for external assessment for the UG courses from the academic year 2017-18 and is approved in BOS meetings.  
40 marks are allotted for internal assessment –The split up is given as under.
- Two tests of summative nature, each carry 20 Marks whose average is taken.
  - For assignments-5 Marks
  - For seminar / Project-5 Marks
  - Co-Curricular activities like quiz, group discussion, group activity/Surprise test-5 Marks
  - Attendance-5 Marks
- b) Panel of question paper setters and examiners were discussed and approved in the BOS meetings held in the respective departments. The details are provided in the bound books.
- c) For PG :
- Botany - Internal : 25 External : 75
  - Chemistry - Internal : 25 External : 75
  - Commerce - Internal : 30 External : 70

**Resolution :** It is unanimously approved in the Academic Council Meeting.

**IV. Model Question Papers :**

Panel of question paper setters and examiners were discussed and approved in the BOS meetings. The details are provided in the bound book.

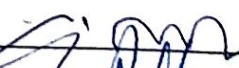

**Resolution :**

It is unanimously approved in the Academic Council Meeting.

**V. New Courses:**

Approval to start M.A(Economics) and M.A(Rural Development):

- A proposal was sent to the university to sanction M.A (Economics) and M.A (Rural Development) under the PG sections from the academic year 2018-19.
- It is also proposed to start B.com(general) course under the UG programme

# **ACADEMIC COUNCIL MEETING - 4**

**DATE : 31 – 10 – 2018**

**TIME : 10.30 AM**

**KVR Govt. College for Women (A)**

**(AUTONOMOUS)**

**Accredited with 'A' Grade by NAAC**

**KURNOOL-518 004**

**KVR GOVT. COLLEGE FOR WOMEN (A), KURNOOL**  
**ACADEMIC COUNCIL MEETING – IV 2018-19**

**Date :31-10-2018 at 10.30 AM**

**MINUTES OF MEETING**

The Academic Council of KVR Govt. College for Women (A), Kurnool met in Principal's Chamber, Chaired by Dr.C.V.Rajeswari, Principal. The meeting was started with the initiation of the Principal, Smt.G.Indravathi, presented the agenda and the Academic Council discussed the academic issues and passed the following resolutions.

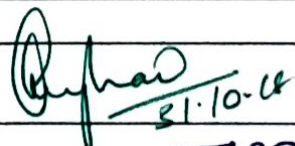

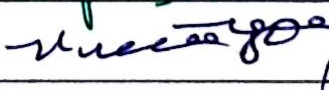

***I) Ratification of syllabi followed for III Year :***

1. The Syllabi approved in the last academic council meeting (AC-3) for the III Year ( V & VI Semesters) of Bachelor degree are followed in the academic year 2018-19.
2. All the four foundation courses approved by APSHE are followed in Toto for the I Year Bachelor degree students.
3. The syllabi approved in the last academic council meeting for the PG courses for the II, III & IV semesters are followed. It is kept before this academic council for ratification.

**Discussion :** Ratified the above.

***II. Approval of the syllabi for I & II semesters of UG and PG:***

BOS meetings in different subjects were conducted during June to August 2018, the academic matters discussed and approved are as follows. The changes made in the curricula of different subjects of UG & PG are compiled in the form of bound books. Major changes in the syllabi of different subjects of both UG & PG are given Annexure-1.

# UG PROGRAMME

## LANGUAGES:

**Gen.English:** In General English, the greatest poet Wordsworth is introduced through the poem "Daffodils". The lesson "The power of prayer" is introduced to get acquaintance with the people who inspired Kalam.

### Suggestions

Academic Council Members has suggested to develop speaking skills of students. Regarding General English Prof. Venugopal suggested to introduce the stories of R.K. Narayan/Ruskin Bond/ Panchatantra Stories.

**Adv.English:** The poem "All world is a stage" is added to introduce Shakespeare the greatest personality in English literature.

### Telugu :

### Suggestions

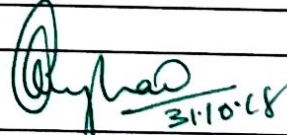

*Human and moral values should be incorporated by including suitable topics.*

**Urdu:** The topics Inshaiyawoll is introduced to improve students speaking and imagination skills.

**Adv.Urdu :** Jab humnahonge is added to introduce one more writer and view to enrich the fiction.

**Hindi:** There is no change in Hindi syllabus and APSCHS syllabus is followed.

*The total number of students studying Hindi must be increased as Hindi is our National Language and it will help the students to get jobs throughout India.*

S.No.	Name and designation	Cadre

8	Dr.M.Nagaraju, Principal Rtd, BudawarPet, Kurnool.	Member-Education	

## SCIENCES:

**Mathematics:** No changes were incorporated and APSCHE syllabus is followed.

**Physics:** In Paper - I the topic "Energy of the Simple Oscillator" is added in unit I, "Tuning fork" is added in unit IV. The topic "Velocity of the transverse wave" is added in unit V so as understand the future topics.

**Chemistry:** No modifications are suggested by the expert BOS committee, as it felt that the syllabus prescribed is quite apt.

**Computer Science and Applications:** Operating System- Its functions & types; Files-File Operations, Working with Files topics are added .

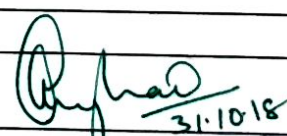

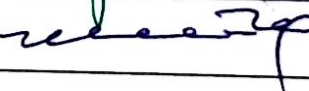

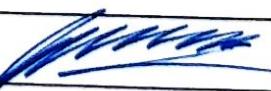

**Data Science:** Operating System- Its functions & types topic is added.

**Botany:** The topics Rhizopus and Funaria are deleted and the topics Albugo and Anthoceros are added.

**Zoology:** Paramecium life cycle deleted and Nutrition in Protozoa and Elphidium life history is included. In II unit Excretory system of Scoliodon, in III unit Digestive system of Frog, in VI unit Digestive system of Rabbit are deleted. In V unit Circulatory system in Pigeon and Respiratory system in Rabbit are added.

**Biochemistry:** Students need to have knowledge on Cell Biology to learn Biochemistry, hence basics of Cell Biology included in one unit. APSCHE syllabus is followed for II Semester.

**Biotechnology:** In I Semester - Acid fast staining & Flagella staining are removed as they are covered in practicals. Prokaryotic classification & Bergey's manual are deleted as they are covered in Botany. In II Semester Prokaryotic, Eukaryotic genes, genome organization, telomere and centromere topics are added to give basic information regarding chromosome structure.

S.No.	Name and designation	Cadre	
1	Dr.C.V.Rajeswari, Principal, KVR Govt. College for Women (A), Kurnool.	Chairperson	 31.10.18
2	Prof. Venugopal Rao, Dept. of Management, S.K.U, Anantapuram	University Nominee	
3	Dr. DVR. SaiGopal, Department of Virology, SVU, Tirupati	University Nominee	-

6	Sri Buchanna, Auditor, Kurnool.	Member-Commerce	
7	Dr.Radhika, Gynecologist, Kurnool.	Member-Medicine	
8	Dr.M.Nagaraju, Principal Rtd, BudawarPet, Kurnool.	Member-Education	

**Home science:** The topics Big Five factors theory, Locus of control and Self theory, Tissue and their classification: Endocrine glands Study of Parasites, Developmental tasks in different stages of Life span, Role of Hormone in maintaining blood sugar level were added and Respiratory system was deleted.

### ARTS :

**Psychology:** The topics – Characteristics of Creative People, Concept of I.Q are introduced as they are essential in today's scenario.

### **Suggestions**

- To include counselling and suggestions to avoid suicides
- To develop positive thinking and psychology balance.
- Stress management topics should be included.

**Political Science:** The topic "Duties" is introduced as it is contemporary to the topic "Rights". Without Duties there are no Rights.

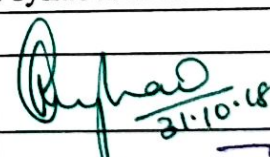

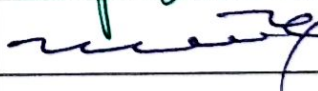

**History:** There is no change in the syllabus and APSCHE syllabus is followed.

**Economics:** Concept of supply, Income effect, Substitution effect and Price effect are introduced to enhance the practical knowledge of day today life.

### **Suggestions :**

- The purpose of education should be to solve the social problems.
- While teaching economics – local examples or local problems should be taken and try to find out the solutions.
- The educational institutions should be come voice of the voices and should mingle with the society.

**Rural Development:** There is no change in the syllabus and APSCHE syllabus is followed.

## COMMERCE :

Accounting Standards is included in order to provide fundamental knowledge of accounting procedure that has to be followed by the companies as per the accounting standards prescribed by the Institute of Chartered Accountants of India. World Trade Organization is included in order to provide knowledge about the role of WTO in promoting international trade.

### **Suggestions :**

**To introduce certificate courses in GST, Tally and Financial Management to bring out Employment Potentiality in the Market.**

## **PG PROGRAMME**

### **M.A. English :**

History of English Language is difficult as an individual paper so instead American Literature is added as it is one of the optional papers in SLET/NET. Some important topics of History of English Language are added to ELT.

**Suggestions : To pool skills and resources of interdisciplinary language courses.**

### **M.Sc Botany:**

With effect from University pattern two papers -Biodiversity and Pharmacognosy, Plant Biotechnology and Tissue Culture papers are introduced.

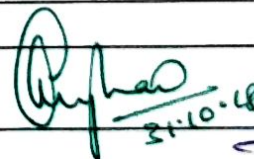

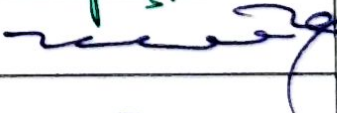

**Suggestions: To introduce Plant Genetic Engineering and Sericulture in the syllabus to meet the local needs of the society.**

### **M.Sc Organic Chemistry:**

Keeping ease of availability of Guest faculty, text books and study material in view, decided to adopt the syllabus as stipulated by Rayalaseema University, Kurnool.

### **M.Com :**

According to current demand getting employability skills are required so, learning of

vii) Telugu	-	Internal : 30	External : 70

**Suggestions:** All the PG departments has to follow similar pattern in assessment either 70-30 or 75-25 pattern.

**Resolution :** It is unanimously approved in the Academic Council Meeting.

#### IV. Model Question Papers :

Panel of question paper setters and examiners were discussed and approved in the BOS meetings. The details are provided in the bound book.

#### Resolution :

It is unanimously approved in the Academic Council Meeting.

#### V. New Courses:

The following courses have been started from the academic year 2018-19 as approved in AC-3.  
Annexure-IV

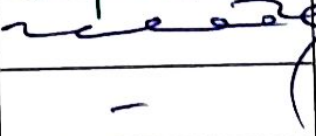

- UG- (i) B.com (General) course  
(ii) B.Sc (Data Science) with the combination of Computer Science & Maths  
PG – (i) M.A (Economics) (ii) M.A (Rural Development)  
(iii) M.A (History) (iv) M.A (Telugu)  
The above courses may kindly be ratified.

#### Resolution :

It is unanimously approved in the Academic Council Meeting.

#### VI. Date for next Academic Council Meeting :

The next academic council meeting may be conducted in the month of August 2019.

language and appreciated the inputs made in the syllabus.

## **SCIENCES :**

**Mathematics:** Laplace Transforms-I & II Chapters were been added as it is essential topic to understand Integral Transforms which is in Semester-VI.

### **Suggestions :**

- Committee suggested to introduce mathematical economics certificate course.
- Emphasis should be given on applications of linear programming.

**Physics:** Circular aperture- Limit of resolution and Raleigh's criterion of resolution, CO<sub>2</sub> laser, Determination of Wave length of Laser light using Diffraction grating were introduced in Semester-III as the students get better understanding of the concept of Resolution and about the latest inventions in laser technology.

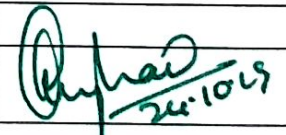

Zeroth Law, Work done in isothermal & adiabatic processes, Properties of He-I and He-II and Applications of cryogenics were introduced in Semester-IV as the students get better understanding of the concept Temperature, Thermal equilibrium, super conductivity & super fluidity.

**Suggestions :** Suggested to introduce interdisciplinary certificate course on Drone Technology in collaboration with Computer Science Department.

**Chemistry :** The chapter Dilute solution is added under Physical Chemistry part to compensate the deletion of Carboxylic acids and Active methylene compounds chapters of Organic Chemistry in Semester III. The Chapters Carboxylic acids and Active methylene compounds are added in Paper – IV so as to balance Organic Chemistry.

### **Suggestions :**

- Suggested to introduce more number of herbal oriented products in the certificate course.
- Suggested to introduce water quality analysis relating to environment as certificate course.

S.No.	Name and designation	Cadre

**Computer Science and Applications:** In Semester III Model Over Fitting, Association Rules topic is added in the syllabus. Internet of Things – Introduction, Applications of Internet of things were added as these topics are added to make the students aware of the applications of Internet of things.

**Suggestions :**

- Suggested to introduce Animation / graphics as Certificate Course .
- Suggested to introduce M.Sc. (Computer Science).
- Suggested to introduce Artificial Intelligence application oriented certificate course.

**Botany:** Herbarium Methodology and Caesalpinaceae is added as it is important to know the detailed practical methodology of herbarium preparation, which is useful for future research in taxonomic study and Caesalpinaceae family is useful because it contains a lot of important medicinal plants. Addition of applications of PGR in Agriculture and Horticulture is the need-based topic for the students.

**Suggestions :** To introduce digital herbarium in UG syllabus.

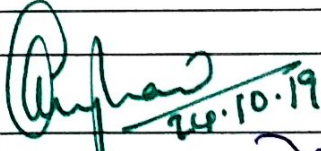

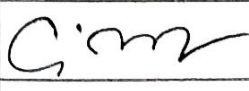

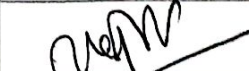

**Zoology:** Basics of DNA & RNA were added in Paper III to make easy learning of Biotechnology in Paper V. Biodiversity topics were introduced under Zoo-geography in paper IV which is of current importance.

**Suggestions :** Virus & Viroid topics should be retained in the syllabus. Ebola virus should be removed. To introduce eco-biodiversity in Ecology unit.

**Biochemistry:** Assay of betaamylase from sweet potatoes, Determination of optimum temperature and PH for amylase and Effect of Substrate conc. On amylase activity topics were included as Students need to have knowledge on practical enzymology.

**Suggestions :** To introduce online free tools for making Bioinformatics subjects more understandable to students.

**Biotechnology:** Biophysical techniques and Immunology paper were separated as individual papers to give complete knowledge on each paper. Transplantation Immunology, Cancer and
