

**CAPACITY DEVELOPMENT AND SKILLS
ENHANCEMENT ACTIVITIES**

**K.V.R GOVERNMENT COLLEGE FOR
WOMEN(A) KURNOOL**

Capacity Development and Skills Enhancement Activities

Number of Capability Enhancement and Development schemes

1. Soft Skills
2. Language and Communication Skills
3. Life Skills (Yoga, physical fitness, health and hygiene)
4. Awareness of Trends in Technology

Soft Skills :

Knowing the importance of soft skills in career building of the students the college organises various programs by experts regarding soft skills. These programs will help the students to build their career as early as possible and also to develop skills to face the global challenges and also help them to know pre-placement techniques like interview techniques, group discussion techniques, resume writing etc.

Language and Communication Skills :

Language and communication skills include the ability to understand others (i.e., receptive language) and express oneself (i.e., expressive language) using words, gestures, or facial expressions.

Life Skills (Yoga, physical fitness, health and hygiene) :

Life skills are essential skills that enable one to effectively deal with everyday challenges of life. Life skills help people protect themselves and promote health by taking positive actions. We live in a dynamic world, in this constantly changing environment, having life skills is an essential part that would enable us to meet the everyday challenges of life. To cope with the increasing pace and change of modern life, students need new life skills such as the ability to deal with stress and frustration.

Awareness of Trends in Technology:

Technology trend awareness as a skill referring to being mindful of the technology that is recently becoming popular and is readily accepted in the market or industry. ... Ideal technology trend awareness skills would mean a person's ability to either correspond to the industry-wide technology adoption or surpass it.
