

CRITERIA 2.2. CATERING TO STUDENTS' DIVERSITY
2.2.1.a BRIDGE COURSE

K.V.R. GOVERNMENT COLLEGE FOR WOMEN, (A)
KURNOOL
Accredited with NAAC 'A' Grade

ACADEMIC YEAR 2019-2020

DEPARTMENT OF BIOTECHNOLOGY

Dates:01. 07. 2020 to 15.07.2020

Brief Report: Bridge course classes conducted to I year Biotechnology students as per the framed syllabus and entry level test was taken at the end of the course.

Outcome: The course helped the students to know the scope of biotechnology and its future perspectives. The entry level test made to screen the students learning ability and take care as such while assigning work.

Department of Biotechnology

BRIDGE COURSE - SYLLABUS

1. Definition and Scope of Biotechnology
2. Historical developments
3. Multidisciplinary nature of Biotechnology
4. Perspective of Biotechnology
5. Outlines of Cell biology, Microbiology
6. Brief note on molecular biology and genetic engineering
7. Introduction to Immunology and Industrial Biotechnology
8. Applications of Biotechnology

BRIDGE TEST

Date : 09.07.2014

Name of the Lecturers: G.Indravathi & P.Sangeetha

DEPARTMENT OF BIOCHEMISTRY

Dates:15.07.2019 to 25.07.2019

Brief Report: Bridge course classes conducted to **I year Biochemistry** students as per the framed syllabus and entry level test was taken at the end of the course.

Outcome: The course helped the students to know the scope of biochemistry and its future perspectives. The entry level test made to screen the students learning abilities for assigning different tasks in subject.

DEPARTMENT OF COMPUTER SCIENCE& APPLICATIONS

Date :08-07-2019 TO 12-07-2019

Brief Report: Bridge course was conducted for I year B.Sc(MPCS, MCDS), B.A(CA, AE), B.Com(CA) students to assess the students knowledge and interim the subject gap in them.

Outcome: Students were motivated and learnt the basics of computers.

DEPARTMENT OF TELUGU

Dates :10.08.2019 to 28 .08.2019

Brief Report: Bridge course classes conducted to I year MA Telugu students as per the framed syllabus and entry level test was taken at the end of the course.

ACADEMIC YEAR 2018-2019

DEPARTMENT OF BIOTECHNOLOGY

Dates :02.07.2018 to 16.07.2018

Brief Report: Bridge course classes conducted to I year Biotechnology students as per the framed syllabus and entry level test was taken at the end of the course.

Outcome: The course helped the students to know the scope of biotechnology and its future perspectives. The entry level test made to screen the students learning ability and take care as such while assigning work.

DEPARTMENT OF BIOCHEMISTRY

Dates:12.07.2018 to 22.07.2018

Brief Report: Bridge course classes conducted to **I year Biochemistry** students as per the framed syllabus and entry level test was taken at the end of the course.

Outcome: The course helped the students to know the scope of biochemistry and its future perspectives. The entry level test made to screen the students learning abilities for assigning different tasks in subject.

DEPARTMENT OF COMPUTER SCIENCE& APPLICATIONS

Date :18-06-2018 TO 28-06-2018

Brief Report: Bridge course was conducted for I B.Sc(MPCS, MCDS), BA(CA, AE), B.Com(CA) students to assess the students knowledge and interim the subject gap in them.

Outcome: Students were motivated and learnt the basics of computers.

DEPARTMENT OF TELUGU

Dates: 16.08.2018 to 31 .08.2018

Brief Report: Bridge course classes conducted to I year MA Telugu students as per the framed syllabus and entry level test was taken at the end of the course.

Outcome: The course helped the students to know the scope of Telugu and its future perspectives. The entry level test made to screen the students learning ability and take care as such while assigning work.

Dates: 1.08.2018

Brief Report: Bridge course classes conducted to I year BA (RD) students as per the framed syllabus and entry level test was taken at the end of the course.

Outcome: The course helped the students to know the scope of Advance Telugu and its future perspectives. The entry level test made to screen the students learning ability and take care as such while assigning work.

DEPARTMENT OF ENGLISH

Dates: 01.08.2018 to 10.08.2018

Topic: Writers and texts

Brief Note: Bridge course is conducted for the first year B.A. Advanced English students at the entry level and are introduced to the new subject to put them at ease.

Out Come: Students understand the various concepts pertaining to the subject and feel comfortable to be a part of the Course

DEPARTMENT OF TELUGU

Outcome: The course helped the students to know the scope of Telugu and its future perspectives. The entry level test made to screen the students learning ability and take care as such while assigning work.

Date: 01.08.2019

Brief Report: Bridge course classes conducted to I year BA (RD) students as per the framed syllabus and entry level test was taken at the end of the course.

Outcome: The course helped the students to know the scope of Advance Telugu and its future perspectives. The entry level test made to screen the students learning ability and take care as such while assigning work.

ACADEMIC YEAR 2017-2018

DEPARTMENT OF BIOTECHNOLOGY

Dates :01.07.2017 to 15.07.2017

Brief Report: Bridge course classes conducted to I year Biotechnology students as per the framed syllabus and entry level test was taken at the end of the course.

Outcome: The course helped the students to know the scope of biotechnology and its future perspectives. The entry level test made to screen the students learning ability and take care as such while assigning work.

DEPARTMENT OF BIOCHEMISRTY

Dates:17.07.2017 to 27.07.2017

Brief Report: Bridge course classes conducted to **I year Biochemistry** students as per the framed syllabus and entry level test was taken at the end of the course.

Outcome: The course helped the students to know the scope of biochemistry and its future perspectives. The entry level test made to screen the students learning abilities for assigning different tasks in subject.

DEPARTMENT OF COMPUTER SCIENCE& APPLICATIONS

Date :15-06-2017 TO 28-06-2017

Brief Report: Bridge course was conducted for I year B.Sc(MPCS), B.A(CA, AE), B.Com(CA) students to assess the students knowledge and interim the subject gap in them.

Outcome: Students were motivated and learnt the basics of computers.

DEPARTMENT OF TELUGU

Dates: 1.08.2017

Brief Report: Bridge course classes conducted to I year BA (RD) students as per the framed syllabus and entry level test was taken at the end of the course.

Outcome: The course helped the students to know the scope of Advance Telugu and its future perspectives. The entry level test made to screen the students learning ability and take care as such while assigning work.

DEPARTMENT OF ENGLISH

Dates: 01.08.2017 to 10.08.2017

Brief Report: Bridge course is conducted to students at the entry level to put them at ease and to acquaint them with the course as many students come from different backgrounds.

Outcome: Students feel at ease and try to understand the course opted.

Topic: Introduction to English Literature

Date: 02.07.2017

Brief Note: Bridge course is conducted for the first year B.A. Advanced English students at the entry level and are introduced to the new subject to put them at ease.

Out Come: Students understand the various concepts pertaining to the subject and feels comfortable to be a part of the Course

ACADEMIC YEAR 2016-2017

DEPARTMENT OF BIOTECHNOLOGY

Dates:01.07.2016 to 01.07.2016

Brief Report: Bridge course classes conducted to I year Biotechnology students as per the framed syllabus and entry level test was taken at the end of the course.

Outcome: The course helped the students to know the scope of biotechnology and its future perspectives. The entry level test made to screen the students learning ability and take care as such while assigning work.

DEPARTMENT OF BIOCHEMISTRY

Dates :12.07.2016 to 22.07.2016

Brief Report: Bridge course classes conducted to **I year Biochemistry** students as per the framed syllabus and entry level test was taken at the end of the course.

Outcome: The course helped the students to know the scope of biochemistry and its future perspectives. The entry level test made to screen the students learning abilities for assigning different tasks in subject.

DEPARTMENT OF COMPUTER SCIENCE& APPLICATIONS

Date : 13-06-2016 TO 25-06-2016

Brief Report: Bridge course was conducted for I year B.Sc(MPCS, CPCS), B.A(CA, CE), B.Com(CA) students to assess the students knowledge and interim the subject gap in them.

Outcome: Students were motivated and learnt the basics of computers.

DEPARTMENT OF TELUGU

Dates: 01.07.2016

Brief Report: Bridge course classes conducted to I year BA (RD) students as per the framed syllabus and entry level test was taken at the end of the course.

Outcome: The course helped the students to know the scope of Advance Telugu and its future perspectives. The entry level test made to screen the students learning ability and take care as such while assigning work.

DEPARTMENT OF ENGLISH

Dates: 01.08.2016 to 10.08.2016

Brief Report: Bridge course is conducted to students at the entry level to put them at ease and to acquaint them with the course as many students come from different backgrounds.

Outcome: Students feel at ease and try to understand the course opted.

ACADEMIC YEAR 2015-2016

DEPARTMENT OF BIOTECHNOLOGY

Dates :01.07.2015 to 15.07.2015

Brief Report: Bridge course classes conducted to I year Biotechnology students as per the framed syllabus and entry level test was taken at the end of the course.

Outcome: The course helped the students to know the scope of biotechnology and its future perspectives. The entry level test made to screen the students learning ability and take care as such while assigning work.

DEPARTMENT OF BIOCHEMISTRY

Dates:14.07.2015 to 20.07.2015

Brief Report: Bridge course classes conducted to **I year Biochemistry** students as per the framed syllabus and entry level test was taken at the end of the course.

Outcome: The course helped the students to know the scope of biochemistry and its future perspectives. The entry level test made to screen the students learning abilities for assigning different tasks in subject.

DEPARTMENT OF COMPUTER SCIENCE & APPLICATIONS

Date :15-06-2015 TO 27-06-2015

Brief Report: Bridge course was conducted for I B.Sc(MPCS), B.A(CA,CE), B.Com(CA) students to assess the students knowledge and interim the subject gap in them.

Outcome: Students were motivated and learnt the basics of computers.

DEPARTMENT OF TELUGU

Dates:01.08.2015

Brief Report: Bridge course classes conducted to I year BA (RD) students as per the framed syllabus and entry level test was taken at the end of the course.

Outcome: The course helped the students to know the scope of Advance Telugu and its future perspectives. The entry level test made to screen the students learning ability and take care as such while assigning work.

DEPARTMENT OF ENGLISH

Dates:01.08.2015 to 10.08.2015

Brief Report: Bridge course is conducted to students at the entry level to put them at ease and to acquaint them with the course as many students come from different backgrounds.

Outcome: Students feel at ease and try to understand the course opted.
